FEATURES

New Pokémon
Begin your adventure with one of three new Pokémon: the Grass-type Pokémon, Chespin, the Fire-type Pokémon, Fennekin, or the Water-type Pokémon, Froakie. Which Pokémon will you choose?

Legendary Pokémon
Two, newly-discovered Legendary Pokémon arrive in Pokémon X and Pokémon Y. Much mystery still surrounds the Legendary Xerneas and Yveltal.

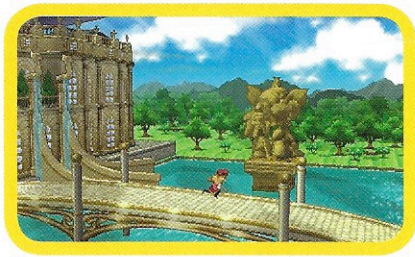
New Region
The new Kalos region is where players will encounter beautiful forests, thriving cities, and many never-before-seen Pokémon. The central city of this breathtaking region is Lumiose City, a metropolis featuring a tower that is set to become an iconic structure in Pokémon X & Pokémon Y.

Mega Evolution
Pokémon that Mega Evolve will tap into hidden reserves of strength and power that have never been realized in their regular Evolutions, giving players who battle with a Mega-Evolved Pokémon a dominant advantage. Mega Evolutions will revolutionize Pokémon battles!.

Wi-Fi Distribution
Players of the new Pokémon X and Pokémon Y will get to participate in a special limited-time Wi-Fi distribution event via Nintendo Network to get a Torchic holding a Blazikenite Mega Stone. This is how players can receive the Blazikenite Mega Stone allowing them to get Mega Blaziken! The character distribution begins October 12.

PSS
The Player Search System (PSS) allows players to connect, battle, and trade with other players nearby and around the world. The PSS makes it easy to find other people playing Pokémon X or Pokémon Y near you or even on the other side of the world.*

Pokémon-Amie
Pokémon X and Pokémon Y will also allow players to interact with their Pokémon in a whole new way with Pokémon-Amie. Playing and interacting with Pokémon by using the Nintendo 3DS system's Touch Screen will build a stronger bond with them. Building this special bond with your Pokémon in Pokémon-Amie will help players in their future battles.



Players can buy the game at retail or the downloadable version from the Nintendo eShop.*
